

Wilmar Pump & Supply announces new location in Morris, Illinois

FOR IMMEDIATE RELEASE

Morris, IL. August 20, 2018 – Wilmar Pump & Supply is officially announcing the new location in Morris IL.. After operating for nearly 2 years in Minooka; Wilmar has determined our organization is better imagined at the new location in Morris.

Located approximately 15 minutes west of Minooka and conveniently off I-80. The Morris location has a larger warehouse and front office space to accommodate more inventory, future growth and training opportunities. An **Open House is scheduled for Friday, September 21st** in Morris to promote the new location.

From N. Wisconsin to the Morris location in N. Central Illinois the Wilmar Team is Going the Distance making the network of loyal dealers a priority. The newly acquired 7,600 Sq Ft warehouse in Morris reinforces Wilmar's commitment as a reliable distributor in the region for years to come.

Larry Walters manages the Wilmar team in Morris with Gary Staton and Steve Ellis handling deliveries, sales and operations support. Mark Larson is on location taking care of inside sales, customer service support and purchasing. Dealers will also benefit from on-site training and a Berkeley/Pentair Turbine Pump OEM Build Center slated for 2019.

The Wilmar Pump team looks forward to the opportunity to offer more convenient options with a personal approach to customer service. Wilmar's immediate goal is to continue providing uninterrupted service and extend on-time delivery to Pump Installers and Well Professionals throughout the North Central Illinois region.

The Illinois branch is open for business **Monday through Friday, 7:30am to 4:30pm.** Further inquiry can be directed to the **Morris office at 1-815-255-2925** or the **Main branch in Delavan at 1-800-562-9818.**
