

Pump & Well Supplies Line Card

Fittings & Nipples

Copper Fittings ½" thru 2"

Wrot & Pushfit (shark bite style)

Brass Threaded Fittings & Nipples (¼" thru 2")

Cast/Swage Adapters

Barbed Insert Fittings

Hydrant & Combo Fittings

Flared Fittings (Copper Tube side)

Compression Fittings (Copper tube size)

Merchant Drop Pipe Couplings

Galvanized SCH40 Fittings / Nipples (Threaded Iron Pipe Size)

¼" thru 5" Diameter

Close thru 12" Length

Dresser Couplings (3/4" thru 2" DIA)

Merchant Drop Pipe Couplings

Galvanized SCH80 Reducing Nipples (2" thru 8" combinations)

Nylon Fittings

Barbed Insert Fittings (½" thru 2")

Hydrant & Combo Fittings (¾" thru 2")

Reducer Bushings (½" thru 2")

PVC Fittings (Spears)

¼" thru 6", SCH 40 & SCH 80 Solvent and IP

Stainless Steel Fittings (¼" thru 2")

Threaded

Nipples ¼" thru 2"

Barbed Insert Fittings

Hydrant Fittings

Merchant Drop Pipe Couplings

Pipe

Copper (Type L, M, K): ¾" thru 2" x 20'

Galvanized (threaded/coupled): 1" thru 5" x 21'

Stainless Steel: *upon request*

PVC (TBE SCH 80): 1", 1 ¼"

PVC (TBE SCH 120): 1 ¼", 1 ½", 2"

PVC Well Casing (SDR 17 and SDR 21): 5", 6"

Poly (CTS, IP): ¾" thru 2" – 200PSI (CTS Only)

¾" thru 2" – 160 PSI

½" thru 1 ¼" – 100PSI/125PSI

Pump Cable/Wire (PVC INSULATED)

TWIST W/GRD: #14 thru 6 gauge 2 & 3 Wire

HD FLT JKT W/GRD: #14 thru 2 gauge 2 & 3 Wire

PVC BLUE FLT JKT W/GRD: 14/2 thru 10/2 &

14/3 thru 8/3 (12/2 Available W/O GRD)

UF W/GRD: #14 thru 6 gauge 2 & 3 Wire

Tracer Wire: 18/2

**Special Orders Encouraged

Job Accessories

Air Volume Controls

Ametek, Boshart, Brady, Johnson (Penn),

Robt Shaw, Whitewater

Check Valves (Brass / Ductile Iron / Stainless) ¾" thru 6"

Flomatic, Harvard, Maass Midwest, Merrill,

Simmons, Strataflo (*Heavy duty < 100PSI available*)

Clamps Ideal (larger sizes available on request)

Stainless Steel Ideal Clamps available thru 12"

Curb (buffalo) Box and Accessories (AY McDonald)

1 ¼" & 2" Telescoping to 6'

T-Handle and Extension Rods 4' and 8'

Curb Box Key

Curb Stop Valve Brass: ¾" thru 2" (or w/drain)

Flow Control Restrictors (Dole)

Stainless Steel (FIP): 1" x up to 30 GPM

Foot Valves (Brass): ¾" thru 2"

Hold Downs (4", 5", 6")

Hand Pumps: (Cast Iron) Baker

Pitless Adapters (Weld-on or Clamp-on) S/S, Brass

Baker, Campbell/Martinson, Maass Midwest,

Merrill

Pressure Switches

Economy (20/40, 30/50, 40/60)

Square D (20/40, 30/50, 40/60, 50/70, 60/80)

Low Pressure Cutoff (20/40, 30/50, 40/60)

Heavy Duty or All Weather (40/60)

Pressure Gauges (NL Brass or Stainless connection)

100# - 300# & 1/8" or ¼" options

Dry or Glycerin Filled & Back or Bottom Mount

PVC Compounds/Solvents

Cement (All Weather, H/D): 16oz, 32oz, Gallon

Cleaner (Clear): 16oz, 32oz, Gallon

Primer (Clear): 16oz, 32oz, Gallon

Blue Monster Pipe Dope: 8oz, 16oz, 32oz

Blue Monster S/S Pipe Dope: 16oz

PVC Tape

Black / Green: ¾", 2", 4" x 60' roll (*Green 2" only*)

Scotch #33, #88: ¾" x 60' roll

All Weather: ¾" x 60' roll

Teflon Tape (Blue Monster): ½", ¾" or 1" rolls

S/S Teflon Tape (Blue Monster): ½" x 260" rolls

Shrink Tubes / STA-CONS / Splice Kits / Wire Nuts

Silicone Blue: #14 thru #10

Standard: #14 thru #1/0

Splice Kits- 2 wire, 3 wire, 4 wire

Red or Blue (Silicone) Wire Nuts

Tank Tees (Brass/Galvanized/Stainless Steel): 1" & 1 ¼"

Torque Arrestors (Black or Green)

Vacuum Breaker: (Brass / Stainless steel) ¾"

Valves

Ball Valves Brass, S/S: ½" thru 3" (FIP, FPS)
 Ball Valves PVC: ½" thru 2" SCH 40, SCH 80 FSE
 Bleeder Valves
 Boiler Drain S/S Brass: ½" or ¾" (Ball/Gate Type)
 Hose Bibb S/S Brass: ½" or ¾" (Threaded Available)
 Snifter Valve: 1/8" or ¼"
 Foot Valves Brass: ¾" thru 2" (FIP)
 Pressure Relief Valve Brass, S/S: ½" and ¾"
 Sump Check Valves PVC: 1 ½" and 2"
 Swing Check Valves: ¾" thru 1 ¼"
 Sample Taps S/S Brass: ½" and ¾"

Well Caps / O-Rings, Gaskets (Locking Also Available)

*Baker- Turtle Steel or PVC: 4" thru 6"
 Campbell: 5" and 6"
 *Lunde VP: 4" thru 8"
 Merrill: 4" and 5"
 *Wells: 4" thru 6"
 *Personalization Available

Well Seals (2" thru 12")

Maass Midwest, Simmons

Hydrants and Repair Parts

Woodford Iowa (Y & Sanitary models)

¾" or 1" x 4', 5', 6' Bury

Tanks

Galvanized (Permatank)

40GAL, 80GAL, 120GAL

Galvanized Epoxy Coated Tanks

Built to order

Steel or Fiber-wound (Wellxtrol, Flex-Lite, Pentair)

Air Over Water Style
 Bladder Style
 Diaphragm Style

Pumps / Motors

AY McDonald, Berkeley, Franklin, Grundfos,
 Hitachi, Myers, Pentek, Sta-Rite, Wilo,
 *Pump curves & specification sheets available on request.

Pump Controls

Diaphragm / Float / Vertical Switches

Starters / Pump Panels

Alderon, SJE Rhombus

Variable Frequency / Constant Pressure Drives

ABB, Pentair

Drilling Supplies

Drive Shoes (4", 5", 6", 8")

Cable x Thread Cable x Weld Rotary x Weld

Steel Couplings (4", 5", 6")

Weld x Thread Weld x Weld
 Turned Coupling

Drilling Supplies (Continued)

Extra Long PVC Couplings (4 ½", 5", 6") Cresline

Drive Point System (1 ¼" or 2") Stainless Steel

Drive Points, Drive Couplings, Drive Caps

K Packers (Western Rubber)

Shale Traps (Merrill, Bigfoot) (hard or soft)

Pump Screens (Alloy / Aqseptence)

Pipe Size from 4" thru 8"

Slot Size from 10 thru 25

Male x Plate

Male x Female

Length from 3' thru 4' *Larger by request

Pump Savers/Strainers (Stainless Steel / PVC)

100 gauze (Maass Midwest)

Pump Shroud .40 Slot (Boshart)

Drilling Compounds (Cetco)

Hole Plug (Medium, Coarse)

Volclay Crumbles

Super Gel-X

Granular Grout

Versa-Foam

Veloccity Pro

Water Treatment

Filters (American Plumber/Omni/Pentek)

In-House Filter Housings 10", 20"

Replacement Filters (sediment, carbon, MAZ)

Spin Down Filter: 1", 1 ½", 2"x 60 thru 200 mesh

Lake Strainers: 40G or 80G W/ Media

Water Softeners (Int'l Water, WaterRight)

Complimentary Hardness & Iron Tests

Well Treatment

Cotey Chemical

BioClean / Chlorine Enhancer / Dry Acid Descaler

Liquid Acid Descaler / Welgicide Cleaner

Well Cleaning Tool & Brushes (2"-10" size)

Aqseptence (formerly Johnson Screen)

Nu-Well Pellets: 4.5# or 9#

Chlorine (B & B)

Granular: 4# or 99#

Pellets: 5#, 10#, 25#, 99#

Thank you for allowing us provide you with the best customer service, most innovative technology, and the greatest quality products at competitive pricing.

**Special orders or requests are always appreciated.
 This line card is just an overview of our most popular items; please talk to sales personnel for pricing, more information or for product that may not appear here.
