

Wilmar Pump & Supply Announces new location in Stevens Point, Wi.

FOR IMMEDIATE RELEASE

Delavan, Wi. April 26th, 2016 -- Wilmar Pump & Supply is pleased to announce our new location in Stevens Point, Wisconsin. The new location is conveniently located off Hwy 39 at 5208A Heffron Court in the Stevens Point industrial Park approximately 40 miles from Marshfield or Wausau and 70 miles from Appleton.

The Stevens Point location will stock all the product lines dealers are currently purchasing from Wilmar Pump in addition to specialty items more specific to local and regional customers. Dealers will also benefit from Wilmar's OEM Repair Shop and Cast Iron/Stainless Steel Turbine Pump Build Center.

As Wilmar Pump & Supply focuses on future growth in Wisconsin, we celebrate the 70th year of operation in 2017. The Wilmar Pump team looks forward to this new opportunity to offer more convenient options with a personal approach to customer service. Our goal is to extend this valuable service to Pump Installers and Well Professionals of Wisconsin in Portage County and the Menomonee Valley Region.

Wilmar-Stevens Point is scheduled to open for business on Monday May 2, 2016. Details regarding further development can be directed to the North Branch at 1-866-675-9355 or the Main Office at 1-800-562-9818.
